

the Provisional Government to get the article inserted. However, it did not appear, and in a few days we obtained a solution of the enigma, us we might perhaps have done before if we had tried. The Kmperor Alexander also promised to write to the Comtc d'Artois, and to inform him that the opinion of France was in favor of the preservation of the three colors, but I do not know whether the letter wa« written, or, if it was, what answer it received.

Marshal Jourdan, who wan then at Kourn, received 21 letter, written without "the knowledge of Manumit, iitfbniiig him that the latter hail mounted tht* white cock;idc in IIIH corps.
